

February Newsletter

PC: Mark Emery

Telephone Cooperative, Inc

- Bristol Bay Telephone Cooperative as of last month has removed all data capping for our DSL customers in the Kvichak region, the board will be meeting to discuss new DSL pricing and our customers will receive a new application to return for a new priced plan.
- Bristol Bay Telephone is in the final environmental phase with the USDA and once completed our Fiber to Home project can commence.
- Also this month, Bristol Bay Telephone will be hosting a "Customer Appreciation" event during 2023 Winterfest. This will be taking place outside our offices February 3, 12pm to 2pm. Please join us for a hot dog and hot cocoa.

Cellular Partnership

- BBCP network replacement project is still moving ahead with the May 2023 completion schedule.
- Annual Renewals are in the process and will be mailed out next month, if you have any questions about your cellular plans or account, please give us a call.

*Happy
Valentine's
Day*

Dial Before you Dig
