 - **Naknek/ King Salmon-** Bristol Bay Borough School District Auditorium/ Thursday October 5, 2023 6:00 PM

Cellular Partnership

- THE BBTC 4G LTE BUILDOUT IS COMPLETE!
 - Ekwok, New Stuyahok, Koliganek, Dillingham, Aleknagik, Clarks Point, Pilot Point, Egegik, Levelock, Igiugig, Naknek, South Naknek and King Salmon service areas have been completed! A quick reminder, our new cellular system is built using technology and hardware by a leading industry leader. For residents living in our service areas, this means 4G data, quality voice calls, and texting. Our out of roaming plan is unmatched by any competitors in the lower 48.
 - For our Commercial fishermen, the Ugashik/Pilot Point service area was turned up in mid August. Additional drive testing and optimization of the entire network continued through early September and the system works great!
 - BBTC is asking all our cellular customers to notify us if you know of an area with low cellular coverage so we can look in to the issue.
