- **USDA Reconnect 3 Fiber Optic Project News.**
Our thanks go out to “Umiaq Environmental” based in Anchorage, they are on track to complete environmental reporting in the coming months and we are on target for final approvals to start work end of this year. Also note BBTC Right of Way Agents will begin contacting our communities to finalize easements in the coming weeks.
- Promotions for our 50 year anniversary will be updated regularly on our website, a promotional flyer has been included in this newsletter. Check the site monthly using the QR Code provided in the flyer for further promotions. We appreciate our loyal Patrons!
- The Affordable Connectivity program has closed their enrollment portal as of February 7th, 2024. The closing date of the program was April 30, 2024. Beginning this Month the Affordable Connectivity Program credit will no longer reflect on your billing statement. If you have any questions or concerns please contact our office or visit www.getinternet.gov
